

### Our Approach to Wedding Photography

We provide beautiful wedding photography and albums at affordable prices for all budget levels.

We provide relaxed and discrete professional wedding day coverage from the time you put on your wedding dress through your reception fun. Our love for wedding photography and depth of experience is reflected in the wedding photos that you will treasure.

There is no limit to the number of pictures that we take of your wedding day activities.

Our team shoots approximately 1,500 - 2000 digital images of your wedding day to provide you with a rich collection of images not possible for a single photographer to capture. We blend candid, formal, romantic, and photojournalistic images taken from multiple viewpoints for interesting album layouts. Our photographers' shooting styles capture your wedding day emotion, beauty, formality, and details. We strive to capture memories that you will cherish for years to come.

Cherished Memories Photography, LLC uses the latest digital imaging equipment, software, and online technology to make viewing and ordering your photographs easy and secure. We enable you, your family and friends to view and enjoy your wedding day memories through your wedding day website pictures.
